

THE BENEFITS OF THE TURKISH CITIZENSHIP BY INVESTMENT PROGRAM

BECOMING A CITIZEN OF TURKEY

Turkey's Citizenship by Investment (CBI) Program offers foreign nationals a fast and straightforward path to Turkish citizenship. With its vibrant culture, strategic location, and strong economy, Turkey presents a compelling opportunity for investors seeking a Turkish passport without needing to fulfill lengthy residency requirements.

KEY HIGHLIGHTS OF THE TURKISH CBI PROGRAM

Minimum Investment: Requires at least \$400,000 in government approved real estate or other qualifying investments.

Flexible Payment Options: Investments can be made in installments over three years.

Quick Processing: The process typically takes 3–6 months, ensuring efficiency and transparency.

APPROVED REAL ESTATE INVESTMENTS

Approved properties meet the eligibility criteria, ensuring compliance with the program's terms.

Investors gain benefits like tax exemptions and the opportunity to rent or resell after three years.

Properties can be shared among family members for collective investment.

AFTER THE INVESTMENT

Turkish Passport: Provides visa-free or visa-on-arrival access to 118 countries.

Residency Benefits: Access to Turkey's high-quality healthcare, education, and social security systems.

Family Involvement: Citizenship extends to family members (spouse and children under 18).

VISA-FREE TRAVEL FOR TURKISH CITIZENS

As of 2024, Turkish passport holders can travel visa-free or with visa-on-arrival to 118 destinations. Below are key highlights:

Popular Visa-Free Destinations:

1. Asia: Japan, South Korea, Singapore, Indonesia, Hong Kong.
2. Americas: Brazil, Argentina, Colombia, Chile.
3. Europe: Bosnia & Herzegovina, Serbia, Montenegro, Albania.
4. Africa: Morocco, Tunisia, Seychelles.
5. Oceania: Fiji, Micronesia, Samoa.

ADDITIONAL BENEFITS OF TURKISH CITIZENSHIP

DUAL CITIZENSHIP

Turkey allows dual citizenship, enabling investors to retain their current citizenship while becoming Turkish citizens.

POLITICAL STABILITY

Turkey is a stable country with a growing economy, ensuring a secure environment for residents and businesses.

COST OF LIVING

Living costs in Turkey are significantly lower than in most European countries, making it attractive for retirees and families.

HEALTHCARE

Turkey's healthcare system is robust, with access to both public and private healthcare facilities.

EDUCATION

Turkey offers a well-regarded education system, including internationally recognized universities and schools.

PROPERTY OWNERSHIP

Citizenship grants the right to own property, offering lucrative real estate opportunities for personal or investment purposes.

BUSINESS OPPORTUNITIES

As a growing economy, Turkey provides diverse opportunities for entrepreneurs and investors in various sectors.

CULTURE

Turkey's unique blend of Eastern and Western cultures, rich history, and vibrant social life makes it an attractive destination for individuals and families.

CONCLUSION

Turkey's Citizenship by Investment Program offers investors and their families numerous benefits, from visa-free travel and access to quality services to real estate ownership and economic opportunities. It's a straightforward and rewarding process for those seeking a second citizenship.
